Terms & Conditions

YOUR ORDER

The above items and specification comprise the order in full, and any changes must be signed off on a revised order form or a change form. Changes are only accepted when you receive a revised Confirmation of Order form. We will start building your kitchen approx. 6 weeks in advance of the delivery date. Any changes made within 6 weeks of the scheduled delivery date may mean your order is re-scheduled for a later date. Extra costs will be charged if items changed have already been built. If a cabinet has already been made, 100% will be charged. If the materials have been cut but the cabinet has not been made, 50% will be charged.

PAYMENTS

Our payment terms are £350 deposit to secure your manufacturing and delivery slot. An additional £650 12 weeks before delivery at the start of the Design Process, and the final balance in cleared funds 4 weeks before delivery. Payments can be made by bank transfer, credit card, debit card or cheque. No delivery will be made without cleared funds. If a delivery has to be cancelled because payment was not received in time to clear, and a second delivery has to be arranged, a second delivery charge will be made. Please note that for the protection of our employees we do not accept cash in our showrooms.

DELIVERY

Kitchen cabinets, sinks, taps, etc. will usually be delivered direct from the workshop at the same time. There are two options for delivery:

1. Standard Delivery.

This is £350 to most destinations in mainland England. (See the map on our website). For other destinations, a quote will be provided. You will be given an approx. date when we confirm the order. To enable us to charge £350 we need to deliver two or three kitchens at a time. Because we are combining two or three deliveries you cannot choose the day or time of delivery. If you need this facility, please see our enhanced delivery below. If your kitchen needs to be delivered on its own because of site restrictions, (i.e.: our usual truck is too big to get your property to unload) you will be charged as per the enhanced delivery service below.

2. Enhanced Delivery.

This is £495 to most destinations in mainland England. (See the map on our website). For other destinations, a quote will be provided. You will be given an approx. date when we confirm the order. We will then call you before delivery to agree a date and an am/pm slot. This option gives you more flexibility to decide the delivery date and an am/pm time slot (subject to availability).

NOTES ABOUT DELIVERY:

1. Please advise us in advance if you have any access limitations (low bridges, narrow lanes, etc.) Generally, if you can get a refuse lorry to your property, our truck will be able to get to you.
2. Due to insurance restrictions delivery is to the ground floor only.
3. Please note that delivery is by two people, and your order will be delivered to the ground floor room you choose. We appreciate that you may want to help unload; unfortunately, our insurance does not allow this. If you do decide to unload you do so at your own risk.
4. Collection from the workshop is not possible.
5. If we have manufactured furniture for a specific completion date, which is then subsequently delayed due to building work or other unforeseen complications on the part of the client, we require payment to be made in full on the original delivery date. We have no

storage facilities, and so reserve the right to charge the customer any storage charges we incur as a result. Any delivery date is given in good faith but no liability will be accepted by us for any delay. While it is unusual for us to suffer a delay, in common with other suppliers, we recommend that you only book tradesmen once you have received and checked everything you need to complete the project. Handmade Kitchens of Christchurch Ltd will not be held responsible for any costs as a result of non-delivery on any particular date.

6. The delivery note must be signed by the customer to acknowledge receipt of the items after checking them. If someone will be signing the delivery note on behalf of the customer we must be notified who it is in writing in advance, and the customer must agree that the nominated person has authority to check and sign for the items.
7. Deliveries to Building Sites/Difficult spaces:
The vast majority of deliveries go without a problem. Our delivery teams are always really helpful and will always try to find a solution for any delivery problems that do arise. Our cabinets are solidly built and can be 2.4m tall and weigh upwards of 40kg. Therefore, due to our experience of delivering our kitchens all over the UK since 2001, we have introduced the following, which we think is fair, and protects you, our teams, and our company.
Our Delivery Team are not permitted to:
 - i. Remove gates
 - ii. Remove doors
 - iii. Remove windows
 - iv. Remove fence panels

Due to the weight of our cabinets, our Delivery Team are not permitted to lift them over gates, over fences, through windows etc. They are also not permitted to carry our cabinets over rough ground, which could cause a hazard for two men carrying very heavy cabinets including:

- i. Over drainage ditches
- ii. Across temporary planks over drainage ditches.

Please advise when we arrange the delivery of your kitchen if any of the above or any other hazards applies to your delivery site. If it does, we can arrange a kerbside delivery so that you can use your own labour to place the cabinets in your house. If you do not advise us in advance and our delivery teams are faced with any of the above or any other unreasonable hazards they will offer you a choice of either a kerbside delivery, or returning your order to the workshop for a later delivery. However, in the latter case a further delivery charge will be applied to your order.

OWNERSHIP OF GOODS:

The property of the goods shall not pass to the client until cleared funds payment of the full price is received.

DAMAGE/FAULTS:

All the items should be checked carefully on delivery and any damaged/faulty items returned to the delivery truck. No claims for damage or shortage will be considered after delivery. Our liability is restricted to supplying missing items and replacing damaged/faulty items including delivery to the original delivery address only. Handmade Kitchens of Christchurch Ltd will not be responsible for any third party costs or consequential loss including contractors' charges.

ERRORS AND OMISSIONS:

Any typographical, clerical, or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document issued by Handmade Kitchens of Christchurch Ltd shall be subject to correction without any liability on the part of Handmade Kitchens of Christchurch Ltd.

TOLERANCE:

Every effort is made to ensure cabinets are made to the specific size ordered. However, due to the nature of the materials used, and in common with other suppliers, dimensions may vary by up to +/- 2mm. Wood is a hygroscopic material which means it will take up or let out moisture depending on the environment it is placed in. It is important to let wood products acclimatise so that it reaches its EMC (Equilibrium Moisture Content).

APPLIANCES:

Please ensure that you have allowed clearances according to your appliance manufacturer's instructions.

SPECIFICATION:

We reserve the right to change specification from time to time to facilitate improvements or because of availability.

CANCELLATION:

You can cancel without penalty up to 63 days before the start of the allocated delivery slot (excluding £350 non-refundable deposits). Between 62 and 36 days before the start of the allocated delivery slot, a cancellation charge of 20% of the deposit will be charged. Between 35 days and the date of delivery, the full order price will be due.

CONTRACTORS:

Any Designers, Fitters or other contractors suggested by Handmade Kitchens of Christchurch Ltd are suggested in good faith. Handmade Kitchens of Christchurch Ltd will not be held responsible for any work carried out or not carried out or any issues arising therefrom.

The placing of any order is deemed as acceptance of these Terms and Conditions.
