

HANDMADE KITCHENS

OF CHRISTCHURCH LTD

This kit will help you plan your new kitchen. Start by printing off the whole document so you can see what is included. There is:

1. A planning grid. – you can draw the outline of your kitchen on the grid.
2. Pages of units to cut out and put on the grid. The units are divided into these categories:
 - a) Appliance housings
 - b) Freestanding appliances
 - c) Base units – some represent specific units, others are blank so you can write a unit number on them
 - d) Wall units - some represent specific units, others are blank so you can write a unit number on them

Don't forget, if you need an extra cabinet you only need print the page, not the whole document!

Once you have your completed plan, please use it to complete our order form, and send it to us here:
